Dear Mr. Olley:

This refers to your recent request for state approval to provide medical physics services under the Mammographic Quality Standards Act (MQSA) final rules and regulations, Section 900.12(a)(3)(ii)(B)(1).

We have determined that you meet the state requirements for medical physicists and you are approved to conduct evaluations of mammographic equipment and procedures under the Act.

Please remember you must continue to maintain documentation under Section 900.12(a)(3)(ii)(B)(1) verifying you have at least a bachelor's degree including at least ten semester hours of physics; under Section 900.12(a)(3)(ii)(B)(3) documentation of at least twenty mammography units you have evaluated; and your continuing mammography education credits under Section 900.12(a)(3)(iii), at each facility you survey.

If you have questions or if we can be of additional assistance, do not hesitate to contact this agency.

Sincerely,

&&" LL.
